Review: Spring Into Technical Writing

<http://www.rootprompt.org/article.php3?article=8894>

I've seen a few questions around here saying that there's no need to write a beefy Technical Specification if the Functional Specification has all of the functionality.

<http://stackoverflow.com/questions/677901/how-do-i-write-a-technical-specification-document-for-my-software-project>
